Would you like to purchase a ride T shirt for \$22.00?                      yes                      no

I understand this ride is an annual fundraiser for the California Dental Association Foundation. Even though a registration fee is not required a contribution to the CDAF is encouraged. The only contribution information that will be shared with the ride organizer will be the total amount contributed by the group. Individual information will be known by the CDAF staff only.

As a guide previous registration fees have been in the neighborhood of \$250-350. To determine your interest in contributing please visit the CDAF website (<https://www.cdafoundation.org/>) and the CDA CARES Facebook page (<https://www.facebook.com/cdacares/>). Contributions can be made on the CDAF website, DONATE NOW tab. On the contribution page please click – In Memory of “KEN SANFORD” so the ride will have the proper accounting.
